

Call for Papers

On behalf of the Editorial Board, the undersigned would like to inform that River Research Institute (RRI), Faridpur, Bangladesh is going to publish a Technical Journal (ISSN 1606-9277, Vol. 14, No.1) within a short period of time. We invite experts, professionals, academicians, scientists, researchers, policy makers, managers, stakeholders and students to submit papers which have not been published previously and are currently not under consideration elsewhere for publication. The author(s) are requested to submit their papers in three hard copies (one copy **with name and affiliations** of the author(s) and another two copies **without**) and **soft copy** along with a cover letter to the Executive Editor, RRI, Faridpur latest by **30, November 2017**. The acceptance of the papers will be communicated to the author(s) by **31, January, 2018**. The author(s) should submit their papers through e-mail (tech.journal.rii@gmail.com) together with the regular mail. Apart from e-mail address, corresponding authors are also requested to provide *personal portable number* for smooth communication in connection with publication.

The themes of the paper are: Hydraulics, Hydrology, River Morphology, Sediment Management, Geo-technical Engineering, Sediment Technology, Water Quality, Concrete and Building Materials, Physical and Numerical Modeling, Ground Water Utilization, Environmental Science & Engineering, Hydraulic Structures, Water Management or any other water resources engineering topic. The article preparation guidelines (3 pages) is attached herewith and for further guidelines & article preparation template (9 pages), author(s) are advised to go through the RRI website (www.rii.gov.bd).

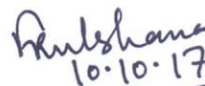

The paper will be selected on the basis of the following criteria:

1. Theme of the manuscript
2. Problem formulation
3. Authenticity of the database
4. Way of approach- materials and methods/methodology
5. Supporting literature/Document
6. Analysis-Presentation
7. Standard with respect to Scientific and Technical field
8. National Importance/Socio-economic importance
9. Relation to RRI activities
10. Linguistic soundness
11. Findings/Conclusion

The lead author (rather than RRI scientists) of submitted article is required to **pay a fair publication charge BDT 2000 only** (non-refundable) for processing. The payment should be made in the form of Pay Order/ Demand Draft in favour of the Director General, River Research Institute, Faridpur. **A copy of Pay Order/ Demand Draft** is required to **send** along with the **submitted** manuscript.

Author(s) are requested to follow the directions thoroughly and do some proofreading for grammatical mistakes, punctuation, typing error or any other possible inconsistencies before submitting articles. RRI Editorial Board reserves all rights to reject submission if manuscripts fail to conform the article preparation guidelines.

The Technical Journal is published by the Editorial Board of River Research Institute, Faridpur. All editorial correspondence should be addressed to the Executive Editor, Editorial Board, Technical Journal of RRI, Faridpur, Bangladesh. RRI Editorial Board reserves all rights to accept, reject and publish the manuscript.
